

Serving Washington State Small Businesses

The Washington State Procurement Technical Assistance Center (PTAC) provides **free** one-on-one assistance to Washington State small businesses on any subject related to selling to the government. There are **no fees to receiving advice** on any of the topics listed below; however we do ask that you respond to survey requests as to the impact of our assistance.

If you determine that while free advice is helpful, you really need additional support staff to actually **perform** some of the paperwork. We have created product offerings in some of the most requested areas at a reduced cost to assist with covering our costs for these additional services.

YOU DO NOT NEED TO PAY ANY FEE TO BE A CLIENT OR RECEIVE FREE CONSULTING SERVICES ON ADVICE AROUND GOVERNMENT PROCUREMENT.

Free technical assistance is available through:

- *Community Capital Development*
- *EDA of Skagit County*
- *Grays Harbor EDC*
- *Snohomish County EDC*
- *Spokane Regional Chamber of Commerce*
- *Thurston County EDC.*
- *William Factory Small Business Incubator*
- *Yakima County Development Association*

Unless otherwise stated, the listed additional products offered are out of the main office at the Snohomish County EDC in Everett, WA.
